A Note about the Legal Documents

Personally, I hate legal documents that I don't readily understand. Below is a simple explanation of what you are about to sign. This is not intended to be legal advice, as you should certainly contact your attorney regarding any of the legal documents contained herein. However, just for fun I wanted to give you my abridged version.

The Contract For the Sale and Purchase of Real Estate:

This agreement simply outlines the terms and conditions of sale that you as buyer and myself as seller mutually agree upon. The main highlights of this contract are the purchase price, financing terms, receipt of your down payment, and our guarantee in writing. Without this agreement, there could be some misunderstanding of the terms we both agreed upon and we certainly know that the key to any good relationship is excellent communication without ambiguity.

The Promissory Note:

Basically, you promise to pay each month on time the specified monthly payment. There are no prepayment penalties. We have the \$ 70 monthly payment as a floor, but to save lots of money on interest we recommend paying as much as you can afford, even \$30 more each month makes a big difference towards paying down your note as fast as possible and saving money on the interest expense. If you don't pay on time we are going to charge you.

If you continue to not pay on time we are going to threaten you and charge you even more money. Don't make any payments and we will send a certified letter giving you 30 days to make payment before we terminate the contract and re-sell your land. Nevertheless, if you call us or e-mail us and let us know what is going on we certainly can try to help you out.

Payments:

Payments are due 30 days from your contract date and we will email you an invoice for the payment. The invoice will include a link so you can pay with a credit card.

If you are late making payments we are going to charge extra fees. If you sell your property you still have to pay us the balance due.

You have to reimburse us for your taxes on the property (or we can bill you monthly let us know which you prefer).

The Land Contract:

If you don't make your payments we will give you 30 days notice and then have the right to take back the property without going to court.

Don't dump environmentally hazardous waste on the property.

In summary, all of these documents say the same thing. Make your minimum monthly payments on time each month. Failure to do so leads to ugly legal stuff, which will affect your credit rating. If you don't want your property anymore call me and we can work something out. I'd rather work with you rather than have to send nasty certified letters giving you 30 days to make payment in full.

We will eventually need your Social Security Number for tax purposes. I prefer to get this information over the phone for your security.

PROMISSORY NOTE

For value received, John Johnson ("Borrower[s]") promise to pay to Land to Land Holdings, LLC, a Georgia Limited Liability Company with a mailing address of 82 Cleves Way, Dahlonga, GA 33603 ("Lender"), or to order, the principal amount of \$ 2420 together with interest on the unpaid principal balance from November 22nd, 2023 until paid in full.

Principal and interest are payable as follows:

1. Payment-Borrower will pay Lender 36 Months of principal and interest payments in the amount of \$ 70 each, plus \$ 0 per month, Note Servicing Fee plus \$ 4 per month for estimated property taxes, for a total payment of \$ 74 per month, inclusive of interest, beginning November 22nd, 2023, with interest calculated on the unpaid entire principal balance at 0% per annum. This estimated payment is based on the assumption that all payments will be made exactly as scheduled. The actual final payment will be for all principal and accrued interest not yet paid, together with any other unpaid amounts under this Note. Unless otherwise agreed or required by applicable law, payments will be applied first to any accrued unpaid interest; then to any late charges, then to principal. Borrower will pay Lender through our payment system, or at such other place as Lender may designate in writing. The term of this Note is 36 Months.
2. Default Rate - Upon default, including failure to pay upon final maturity, Lender, at its option, may, if permitted under applicable law, increase the interest rate on this Note by five (5) percentage points ("Default Rate"). The Default Rate of Interest shall thereafter supercede the rate set forth in Paragraph 1, above, even if the default is subsequently cured.
3. Prepayment - Borrower may prepay this note, in whole or in part.
4. Late Charge - If a payment is 30 or more calendar days late, Borrower will be charged \$ 70 in additional to regularly scheduled payment, in addition to all other sums owed hereunder.
5. Default - Each of the following shall constitute an event of default under this Note:
 1. Borrower fails to make any payment when due;
 2. Borrower fails to comply with or to perform any other material term, obligation, covenant or condition contained in any other agreement between Lender and Borrower, including, but not limited to, the Purchase and Sale Agreement, Promissory Note and Land Contract;
 3. Borrower defaults under any loan in favor of any other creditor, if such default may materially affect the Real Property securing this Note; and
 4. Any statement made or furnished to Lender by Borrower to Lender in connection with this loan was false at the time the statement was made.

If any default, other than a default in payment, is curable and if Borrower has not been given a notice of breach of the same provision of this Note within the preceding twelve (12) months, it may be cured (and no event of default will have occurred) if Borrower, after receiving written notice from Lender demanding cure of such default (1) cures the default within fifteen (15) days; or (2) if the cure requires more than fifteen (15) days, immediately initiates steps sufficient to cure the default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practicable, but not more than thirty (30) days with respect to any non-monetary default.

This Note is secured by a Land Contract of this same date.

The maker promises and agrees that in the case of a default in the payment of any sum required hereunder, or in the case of the failure to perform any covenant contained in the Land Contract securing this Note, or if the maker becomes insolvent or makes a general assignment for the benefit of creditors, then the unpaid principal balance and accrued interest shall, at the option of the holder or holders of this Note, immediately become due and payable although the time of maturity as expressed

in this Note may not have arrived.

The Borrower promises and agrees that in the event of any sale, transfer, alienation, or other disposition of the Stock which is the subject of the Land Contract which secures this Note, or of any part thereof or of any interest therein, whether voluntary or involuntary, the entire unpaid principal balance and accrued interest shall, at the option of the holder or holders of this Note, immediately become due and payable although the time of maturity as expressed in this Note may not have arrived.

Under this Note, the Borrower agrees to pay all costs, including reasonable attorneys' fees, incurred in the collection of any unpaid amounts. Jurisdiction and venue of any claim, action or proceeding to enforce the parties rights under this Note shall be in the state and federal courts located in the makers court of choice.

The Borrower waives presentment for payment, demand, notice, protest, notice of protest, diligence, and non-payment of this Note, and all defenses on the ground of any extension of time for payment that may be given by Lender to Borrower.
